

My DE

“My DE” is your home page and hub to Discovery Streaming services and tools. Your “My DE” page highlights key content, timely resources, and special events. Each numbered area as shown in the “My DE” screenshot is briefly explained on the next page.

The screenshot shows the My DE interface for user Laura Cummings at Oak Park High School. At the top, there is a 'Learn More' button and a 'PROFESSIONAL LEARNING' banner. The main content is divided into several sections:

- 1 Services:** A box labeled 'STREAMING' with a red circle containing the number 1.
- 2 Activity:** A navigation tab with a red circle containing the number 2.
- 3 Online Learning Courses:** A card titled 'Interactive Learning Courses' with a red circle containing the number 3.
- 4 #CelebrateWithDE - National Aviation Day:** A card with an image of an airplane and a red circle containing the number 4.
- 5 GLOBAL NEWS:** A card titled 'GLOBAL NEWS' with a red circle containing the number 5, featuring a video thumbnail about virtual reality.
- 6 ON THIS DAY:** A card titled 'ON THIS DAY' with a red circle containing the number 6, featuring a science-related image and the text '1863: Frederick Stanley Kipping, chemist (more...)'. Below the card are five small circles, with the third one filled.
- 7 EVENTS:** A card titled 'EVENTS' with a red circle containing the number 7, showing the date 'Aug 16' and the event '3 Ways to Extend Your Math Techbook Experience' at '11:30 AM US/Eastern'.

1. Services- All the Discovery Education services your school or district has licensed will be listed here.

2. Activity - Keep up-to-date with what’s happening. The activity feed will showcase timely content, free programs, upcoming events, and more.

3. Most Popular Content - This feed is a link to the content the wider education community is currently searching for and using. Check back regularly to find new resources.

4. Conversations & Connections - This feed provides links to our latest blog posts. Visit blog.discoveryeducation.com to explore the various themes, topics, and categories.

5. Global News - Global Stories (Grades K-5) and Global Wrap (Grades 6-12) are weekly current events services where students can learn about events that are happening in the real world, in a safe, age-appropriate news report. Click on the down arrow to toggle between Global Stories and Global Wrap.

6. On This Day - Explore key events, commemorations, and celebrations in the On This Day section. Content is available for Biography, Social Studies, Health & Guidance, Mathematics, Art & Humanities, Language Arts, and Science. Click on the text to find more information and related resources in Streaming.

7. Events - The Events section highlights upcoming webinars, virtual field trips, live events, and more. You can see more events hosted by Discovery Education by visiting www.discoveryeducation.com/events.
